Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner notified attorney of issues with regards to claims 2, 4, 5, 7 and 20. Specifically Examiner indicated the following: (1) For claim 2, 'selected from the group consisting of' language was suggested to place claim in proper Markush format. Currently the term 'consisting' is omitted; (2) Claims 4, 5 and 7 contain 'e.g.' terminology, which makes the claims indefinite under 112-2nd paragraph, since the term 'e.g.' is confusing whether the limitations following the term are exemplary or not. 'Selected from the group consisting of' Markush language was suggested to overcome indefinite issue. For claim 7, the phrase 'such as' in place of 'e.g.' was recommended; (3) Claim 20 is a use claim, which creates 101/112 1st issues, since the claim recites a 'use' with no process steps. Examiner requested but was denied approval to do an Examiner's Amendment making the proposed changes as discussed above. Attorney requested Examiner to submit the Official Action instead. Examiner agreed to submit a Non-Final Office Action..
